

# Indescribable: Your Creator has No Limits

Use this guide to help your family learn how God made us to be creative.

First, watch  
this week's  
video!

Creativity:  
Imagining what  
you could do  
because you  
were made in  
God's image.

### Memory Verse

"Lord, you are  
great. You are really  
worthy of praise.  
No one can  
completely  
understand how  
great you are."  
Psalm 145:3, NIV

### Bible Story

Creation  
(Genesis 1-2:3)

### Key Question

Where do you see  
God's creativity?

## Activity

### Color Coding

#### What You Need

Paper and pencil (optional)

#### What You Do

Tell your child: "One of us will read a color from a list. Then, we'll go back and forth, naming all the things in nature that are that color. The person who thinks of the last thing wins the round."

Say each color out loud. Go back and forth, naming all the things in nature that are that color. (Example: green—frog, grass, leaves, etc.)

- green
- yellow
- orange
- blue
- purple
- red
- white
- black

If you want a variation, about half-way through the colors, grab a sheet of paper and a pencil for both you and your child. Read the remaining colors aloud. Then, individually, write down as many things in nature that are that color that you can think of. Compare lists. Mark out any items that you both wrote down. Award points for each unique item that each of you thought of. Keep score and reward the winner with a treat!

## Talk about the Bible Story

God made the Earth and everything in it. When you think about all the things in nature that God created, which thing amazes you the most?

Think back to the order God created things. What was the last thing God created? (*People.*) What do you think that means about people? (*God saved the best for last; we're His most prized creation.*)

God says that we were made in His image. What do you think that means? (*We were created to think, feel, and act a little bit like God.*)

Think about all the things God created—like sunsets, stars, beaches, kittens, and people. What do all these things say about God's character? (*That He is artistic, funny, brilliant, powerful, loving.*)

If we are created in God's image, what does that say about us? (*That we can do of all those things too!*)

God dreamed up and created incredible things—every flower, every sunrise, every bird you see flying in the sky, and even the beautiful, unique face you see when you look in the mirror. God did that. He is AMAZING! There is no limit to His creativity.

## Prayer

Use this prayer as a guide, either after talking about the Bible story or sometime before bed tonight:

"God, thank You for creating the world and everything in it. You painted the sky and the sea with the sound of Your words. We stand in awe of Your power and creativity. And because You created us to think and act like You, we know that we can be creative, funny, artistic, brilliant, powerful, loving, and limitless—all with Your help. Thank You for your incredible creation. We love You. Amen."
